Change In Garbage Pickup Is Halted Temporarily By Order Of Council President

Borough Council President Glenn Guise this morning, following a meeting with Adams Sanitation Co. officials, announced that the garbage containers in the borough may return to their former locations for the time being.

Guise met with the ADCSO officers after a meeting of borough council Tuesday night in the engine house at which 75 residents of the town protested the new "pick up points" established by the sanitation company for garbage cans, the plan of ADCSO to bill three months in advance and to the increase in the residential rate for garbage disposal, from \$2 to \$2.25 a month.

Guise Tuesday night told those attending the meeting to "put the containers where they were before" and said he would "see" the company officials concerning the "pick up points." This morning he said the company had agreed to temporarily collect the cans from their former locations, "without prejudice to the company's position," until further arrangements can be worked out.

WILL SEND SUPERVISOR
At the meeting of council Tuesday night Guise read a letter from the company which stated that it would send a supervisor to the home of any one with complaints concerning the new pick up point to seek to amicably work out a pick up point agreeable to the collector and householder.

The letter read by Guise appears elsewhere in today's edition of The Gettysburg Times.

At the opening of the council session borough secretary, Mrs. Anna Drach, read letters from Mrs. Harold Ecker, Mrs. Helen McCauslin and John D. Lippy Jr. protesting various changes made in the garbage collections.

Guise then noted, "I think you are all interested in the same thing," and then read the letter from ADCSO. He noted that the company had been given a monopoly to haul the garbage because "at the time there was nothing else that could be done. We were at a point where garbage disposal service would have stopped if the company had not taken over. But we have a lot of monopolies, such as light, telephone, gas, because it is necessary to provide a monopoly to get the work done. Borough council at that time placed controls over them, setting the rates but providing that the health committee should study the statement of operation costs and permit increases in the rates, or directing a lowering of the rates depending on the cost of the operation. At the time it was set up no one knew how much it might cost to provide the service. During May the committee met with the Sanitation Co. four times and after the meetings agreed to an increase of 25 cents per month in residential rates. They notified the company that it might make the increase August 1. The matter was not reported at a council meeting, but all councilmen were aware of it."

PROTEST MONOPOLY

Robert Codori was among several speakers who protested the granting of a monopoly for garbage collection holding that "free competition is the American way of doing things." He won applause as did Councilman Attorney John D. Thrush who told council:

"First, I'd like to remind council that I called it to your attention last year that the effect of this new garbage ordinance was to grant a monopoly.

"Second, I'd like to remind Adams Sanitation Company that it came to council and asked this aid, this exclusive franchise, so as to permit it to get on its feet and I don't think any member of council contemplated prolonged borough protection to a private business. Despite Adams Sanitation Company's protestations to the contrary, I feel that the men who put money into the company did so with the intent to make a profit. Although I feel they should have every opportunity to make this business a success I think they must assume responsibility for making this an efficient operation.

COUNCIL POLICY

"Next I feel that borough council must adopt a policy approach to its garbage troubles. We can do one of four things: 1, set up a borough garbage company, complete with landfill; 2, contract out the garbage collection with fixed contracted terms; 3, open the town to any sanitary collection, or 4, try to remove present monopolistic regulation to the extent that it is possible.

"Finally, I don't care if the monopoly idea or the contract

Quick Call Staffs To Be Given Exams

The Adams County Commissioners this morning adopted a resolution which in effect will put the Civil Defense workers in the county under the civil service system. The action was taken specifically to include the quick call operators who now are being paid by the county.

The present operators will be obligated to take the civil service exam and, if they pass, they will retain their jobs.

The commissioners also approved the grant of \$2,000 to Germany Twp. for road repair. These funds are received from the Commonwealth from the liquid fuel tax fund.

OPEN 136TH SEMINARY YEAR TODAY

The Gettysburg Lutheran Theological Seminary opened its 136th year this morning and its president, Dr. Harry F. Baughman, delivered the opening sermon at 10 a.m. services for what is probably the last time as president at the opening of a seminary year.

Dr. Baughman has presented his resignation and has asked that it be made effective not later than September 1, 1962.

His theme this morning was "My Calling to Fulfill." The service was held in the Church of the Abiding Presence.

The incoming class of 48 students was on campus Tuesday for an orientation program. Regular classes begin Thursday. Five girls are among the applicants for admission to the seminary for post graduate study with registration to take place September 12.

155 STUDENTS
A new member of the faculty, Dr. Eric W. Gritsch, who will be teaching in the Church History Department, was being introduced on the campus today.

Dr. Gritsch comes here from a position as instructor in Biblical history, literature and interpretation at Wellesley College. He will teach two courses in church history during his first quarter here. He succeeds the late Dr. Reginald W. Deitz.

Dr. Jacob W. Heikkinen, professor of New Testament and Greek on the seminary faculty, has received an appointment under the Fulbright foreign scholarship program as visiting professor at the University of Helsinki, Finland. He and his family will return in January.

About 155 students are enrolled at the seminary this year.

STRABAN BUS CHANGES GIVEN

A change in school bus schedules along the Harrisburg Rd. in Straban Twp. caused confusion this morning and many parents had to take their youngsters to school on the first morning.

The driver for the bus, the Rev. Edwin Coddington, said at noon today that this is the schedule for the bus he will drive for Contractor Paul Metz along the Harrisburg and Table Rock Rds.:

The bus will leave from the residence of Paul Metz, opposite the Stockholm Motel on the Harrisburg Rd. at 7:30 o'clock and will go in the Harrisburg Rd. to Gettysburg, picking up all public school children along the route, including those at Twin Oaks.

After delivering those youngsters, the bus will begin its second trip about 7:50 a.m. It will go out the Table Rock Rd., across to the Distelfink corner on the Harrisburg Rd. and turn south, picking up Harrisburg Rd. pupils as far as the Metz residence and deliver them to Gettysburg.

On the return trips in the afternoon, those picked up earliest in the morning will be taken home first.

BUY NEW HOME

Mr. and Mrs. John E. Snyder, R. 6, have sold a new home along the east side of Rhodes Ave. in Twin Oaks to Mr. and Mrs. James R. Krum, 124 Carlisle St. Immediate possession is being given. The sale was made by William A. Bigman, local realtor.

ORDERED FROM TOWN

Michael F. Vennette, 54, Philadelphia, was ordered out of town by Justice of the Peace Robert P. Snyder after a hearing Tuesday evening on a drunk and disorderly charge by borough police.

Seeking Bids On Stations Wagon

The Adams County board of school directors advertised today for bids for a 1962 model nine-passenger station wagon to be used for transporting handicapped children to the Adams County Day Care Center here. Specifications are available at the county superintendent of school's office on Carlisle St.

Bids will be received up to 4 p.m. September 18 and will be opened that evening at 8 o'clock by the county board at the county superintendent's office.

TO DEDICATE MONUMENT TO GEORGIA DEAD

Georgia will dedicate a monument on the Gettysburg Battlefield Thursday morning, September 21, at 11 o'clock, it was learned today.

Mrs. Forrest E. Kibler, Atlanta, Ga., 84, general chairman for the program, said Georgia Governor S. Ernest Vandiver will formally dedicate the marker.

The program here will follow a similar dedication at Antietam September 20.

A number of local residents have received invitations reading: "His excellency, S. Ernest Vandiver, Governor of Georgia; the General Assembly of Georgia and the Hall of Fame Committee of Georgia cordially invite you to attend dedications of monuments to Georgia Confederate dead on National Battlefield sites."

STAKE OFF SITE

National Park Superintendent James B. Myers said the new monument will be erected 100 yards south of the tower on the west side of Confederate Ave. Former President Dwight D. Eisenhower has been invited to take part in the dedication, Mrs. Kibler said.

Myers said he and other park officials Tuesday afternoon staked off the site. The monument, of Georgia marble, will be eight feet square at the base and 16 feet high. It is to be a column narrower at the top than at the bottom.

PRESIDENTIAL TRIP TOPIC FOR CHURCH WOMEN

Mrs. John S. Eisenhower, daughter-in-law of former President Eisenhower, was guest speaker at the Episcopal Church women's meeting Tuesday evening in the Parish House, where she told about one of the trips she took with President Eisenhower.

Mrs. Eisenhower gave a "woman's eye view" of what it was like to travel on a Presidential trip and talked about the problems of choosing and packing her wardrobe, which included gowns for state dinners and receptions, suits, jacket dresses, many hats and a variety of accessories. One of her costumes was a gold brocade suit made from material presented to Mrs. Eisenhower by Prime Minister Nehru of India when he previously visited the United States. He was obviously pleased when she wore the suit at a reception given for the Presidential party in India, the speaker said.

Clothes were a problem because of the varying climates in which she would be traveling, and often it was necessary for her to change clothes on the plane enroute from one country to another. She had no personal maid traveling with her but there was maid service at each of the guest houses or hotels where she stayed.

IN 11 COUNTRIES

The Presidential party left Andrews Air Force Base on December 1, 1959.

Miller Being Sued Over Garbage Route

Robert H. Graham, Franklin-town, has started an action in assumpsit in Adams County court against Robert N. Miller, New Oxford R. D., charging Miller has not paid him the full amount for purchase of a garbage collection route.

According to the complaint filed in the prothonotary's office Tuesday afternoon for Graham by Attorney Walter H. Katherman, Graham on March 6, 1959, sold a route to Miller for \$200 down plus a balance of \$500 plus 25 cents for every new customer obtained by Graham for Miller. Graham claims he worked two weeks for Miller and should receive \$120 for that service plus \$40 for new customers.

Graham says he was paid only \$100 while he should have received \$860 for the route and service.

Honorary Membership

Former President Eisenhower was made an honorary member of The St. Lawrence Seaway Pioneers this morning at his offices on Carlisle St. Dr. N. R. Danielian, president for a decade of the Great Lakes-St. Lawrence Association, is shown presenting the ex-president with a framed commission of his membership.

DIES AFTER FALLING OFF ROOF TODAY

George D. Topper, 61, 319 W. Main St., Emmitsburg, died this morning at 10:50 o'clock at the Warner Hospital from injuries received in a fall from a roof about 9:10.

A self-employed painter, Topper was painting the roof of a property owned by Mrs. George Miller at the corner of Franklin and W. High Sts.

He was scraping paint while holding onto a chimney when the bricks gave way and he fell to the ground. He was rushed to the hospital in the Gettysburg Fire Co. ambulance.

Dr. C. G. Crist, Adams County coroner, investigated and said that Topper suffered a broken back, brain concussion, punctured lung, internal hemorrhage and 11 fractured ribs on the left side.

WORLD WAR VETERAN

The deceased was born near Emmitsburg, a son of the late Charles B. and Mary Adelaide (Little) Topper. He was a veteran of World War II and a member of St. Joseph's Catholic Church, Emmitsburg; Emmitsburg VFW and American Legion.

Surviving are four brothers, Charles, Russell, Joseph Edgar and Albert, all of Baltimore; six sisters, Mrs. Robert Wormley, Emmitsburg, with whom he resided; Mrs. Iva Orndorff and Mrs. Nellie Wetzel, both of Thurmont R. 2; Mrs. Oscar Fritz, Emmitsburg; Mrs. Walter Bechoff, Charman, and Sister Mary Topper, St. Joseph's Central House, Emmitsburg.

Funeral arrangements are being made by the Wilson Funeral Home, Emmitsburg.

PLAN TO MARRY

John Henry Stambaugh, Menges Mills, and Patricia Irene Geisler, New Oxford R. 1, have filed application for a marriage license in York.

Will Resume Nuclear Tests In Few Weeks; Kennedy Says, Has 'No Other Choice'

By LEWIS GULICK
WASHINGTON (AP) — Lifting its three-year lid on atomic tests, the United States will set off underground nuclear explosions in the next few weeks to develop more advanced weapons.

"We have no other choice," President Kennedy announced Tuesday after getting word of the Soviet Union's third atomic blast in five days.

The American tests will start this month. Authorities indicated the first explosions will be small by atomic standards.

The aim: (1) to improve battlefield arm—like those now in the hands of U. S. troops in Europe and (2) to gain know-how for anti-missile rockets.

AVOID FALLOUT

Because they will be below ground and in laboratories the U. S. tests will not produce the fallout of radioactive air particles potentially dangerous to all life.

Kennedy still held open last Sunday's U.S.-British offer to

Boy Injured As Truck Hits Bike

Larry Johnson, 8, son of Mr. and Mrs. Eugene Johnson, R. 1, was treated Tuesday at the Warner Hospital for multiple minor lacerations of the right foot and toes received when he was riding a bicycle and was struck by a truck driven by Donald Crawford, an employee of Roy Coldsmith.

Jeffrey Perez, 7, son of Mr. and Mrs. Juan Perez, 229 W. High St., was treated for minor lacerations of the right chest sustained when bitten by a dog.

SCHOOLS SET RECORD HIGH ENROLLMENTS

With many schools reporting new record high enrollments, all of Adams County's 9,381 public school pupils were back in school today. Schoolbells rang for the first time Tuesday in some districts. In others the first day's session was held today.

In Gettysburg the high school was bulging with a record 1,322 students, while the three elementary schools reported a total of 1,349 youngsters.

The largest first grade in the history of local schools was counted at 253 this morning. Keefauver has 500 pupils. There are 547 at the Eisenhower School and 242 at Meade School.

The Upper Adams School District reported 680 in its high school and 900 in the elementary (Continued On Page 2)

CHARGE IS DROPPED

A surety of the peace charge against Charles J. Champlain, 18, R. 3, filed before Justice of the Peace Robert P. Snyder, was dropped after a hearing Tuesday evening. Champlain was arrested at 5:45 o'clock Tuesday evening by Constable Fred Swisher. Costs were paid by the defendant and the prosecutor, Mrs. Myrtle P. Williams, R. 3.

HELD FOR COURT

Robert L. Gardner, 30, York Springs R. 2, was held for court of charges of surety of the peace and pointing a pistol after a hearing before Justice of the Peace Robert P. Snyder this morning. The prosecutor was Mrs. Mae H. Gardner. Gardner later today was to post \$500 bond on each charge for October court.

SUSPENDED SENTENCE

Charles G. Horn, Gardners R. 1, was given a suspended sentence in Cumberland County court, Carlisle, Tuesday and released to the state parole board for action on a charge of turning off his lights to avoid arrest. The offense occurred August 21 in Mt. Holly Springs. Horn had been on parole from a burglary conviction for 21 days at the time.

PRIZES ARE AWARDED

Prizes were awarded as follows by the Camp Adams Hunting Club, Gettysburg, at their cottage in The Narrows Monday: First, 30-06 rifle, Woodie Bosserman, New Oxford; second, binoculars, J. Sherriff, Newville; third, rod and reel, R. M. Keller, Aspers; fourth, fly rod, Harry Hess, Biglerville.

Heldebridle Rites Set For Friday

Services will be held Friday morning at 10 o'clock at the Bender Funeral Home for Maurice W. Heldebridle, two-year-old son of Mr. and Mrs. Maurice Heldebridle, R. 1, who choked to death on a cookie Tuesday morning while being rushed to the Warner Hospital.

The officiating minister will be the Rev. Harold Myers, pastor of the Foursquare Gospel Church here. Interment will be made in the Evergreen Cemetery.

Friends may visit the funeral home Thursday evening from 7 to 9 o'clock.

FILES FOR DIVORCE

Charles C. Heller, Hanover, has filed suit for divorce in York from Dorothy B. Heller, Biglerville.

BONNEAUVILLE DEMOCRATS PICK NOMINEES

Bonneauville's Democrats Tuesday night selected their candidates for the first election to be held by the new borough at an "informal primary" held in the St. Joseph's Parochial School hall.

Because approval for the new borough was given by the court after the primary election, it was decided that the Democratic and Republican committees and chairmen should certify candidates to appear as the party nominees on the November election ballot in Bonneauville. Officers elected in November will become the new borough's first set of officers and will set up the new municipality January 1.

Faced with the need to select a slate of candidates, the Democratic committee in the Bonneauville area adopted an "informal primary" plan and sent notices Monday to all residents of the town of the plans for the meeting Tuesday night. The Bonneauville Boy Scout troop distributed the notices for the committee.

134 BALLOTS CAST

One hundred thirty-four east ballots Tuesday night which committee men said "is more than ever turned out for a primary."

As a result of the vote, the Democratic nominees for office in the new borough will be: Mayor, Joseph Clabaugh; councilmen, Francis Clabaugh, Jean Miller, Paul Walters, Francis Staub Sr., Richard Neiderer, (Continued On Page 3)

Three Couples Get Marriage Licenses

MAYOR'S VETO STANDS; GET PETITIONS ON TRAFFIC PLAN

Gettysburg borough council, at its meeting Tuesday evening at the engine house:

Learned that it can no longer permit placing banners across the streets advertising such events as the Jaycees Antique Show, the Exchange Club Builders Show, St. Francis Festival, etc.

Failed to pass over the mayor's veto an ordinance which would have provided for hiring part-time policemen.

Raised the salary of Officer Ray Breighner from \$3,200 to \$3,400 a year.

Received a letter from the school board indicating it will permit its street from the High School to E. Confederate Ave. to be open to the public if the town maintains the street, police it, and the school board retains the right to close it if it sees fit.

Received a petition from 44 residents of E. High and S. Stratton Sts., protesting a proposal to permit two-way traffic on those streets.

Accepted an offer by the Kiwanis Club to place four trash containers on Lincoln Square to replace the present four donated to the town by the Acorn Club years ago.

Ordained Wainwright Ave. to 37-foot width to put the ordinance in conformity with the street at its present width.

Once again took up the question of "junk" at the John Gastly property.

Asked the ordinance committee to draw up an ordinance which would permit the town to provide parking spaces free of charge at funerals.

DeHAAS "SHOCKED"

Councilman Clyde DeHaas told council he was "shocked" when he learned people have to pay parking meter rental when covers are placed over the meters in connection with funerals. Burgess Wilbur Plank said he had "no alternative." The present ordinance simply provides for a fee to be charged when the covers are placed and lists no exceptions. Some councilmen discussed whether weddings should also be exceptions, but finally it was agreed that only funerals should be exceptions to the rule.

Borough Engineer Leroy Winebrenner told the council he had received word from state Commerce Department officials that the state has received a number of complaints about signs extending across streets in town and said that if the practice is not stopped the state will order down the wires the town has placed over the street. He added that the state would not object to placing of flags and bunting for decorating the town, but if any more advertising signs go up, the wires will have to come down.

Mayor Wilbur Plank returned to council the ordinance it passed last month to permit hiring part-time policemen, stating that he had vetoed the bill because he believed it in violation of the borough code and would promote

FROSH WILL ATTEND PICNIC

The Adams County Alumni Club of Gettysburg College will hold a picnic Thursday evening at the Gettysburg Country Club to honor incoming Freshmen from Adams County. Twenty-three boys and girls from Adams County will enter Gettysburg College this month. This is the largest number in several years. Parents of all the new students have also been invited to attend the picnic.

Robert R. McCoy, president of the club, has announced the occasion, which will begin at 6 o'clock, is to be an informal affair with no speeches.

Those who desire to come early will have the privileges of the swimming pool from 4 to 6 p.m. McCoy also stated.

Those desiring to make reservations are asked to notify the club treasurer, Kenneth P. Hull.

Other officers of the club are Robert Weaver, vice president; Joan Hawbaker, secretary; William Phelps, representative to the Alumni Council; Orville Orner, Mrs. James H. Allison and James T. Hays Jr., members of the executive committee.

Richard J. Hockensmith, 30, of 207 W. High St., New Oxford, was sentenced to from three to 12 months in the county jail and ordered to pay the costs in the case after a jury had found him guilty Monday afternoon on a charge of involuntary manslaughter.

The charge was filed following an accident five miles east of here on the Lincoln Highway April 29. Hockensmith's car struck a bicycle operated by Michael Earl Boyer, 14, son of Mrs. Naomi Bauerline, Gettysburg R. 4. The child died May 1 of the injuries received in the accident.

Hockensmith told the jury Tuesday afternoon that he did not see the youth on the bicycle until he was about 10 feet from him. He said he did not have time to blow his horn before the right fender of his car struck the bicycle proceeding east on the highway. He said he could not explain why he had not seen the boy previously. He admitted to having had eye trouble over a period of years, but said that with glasses he could now see normally. He said he had his glasses adjusted following the accident. He admitted that "when something comes at me fast" it takes time for his eyes to focus on the object.

10 BOTTLES OF BEER

The New Oxford shoe worker said that he had visited four taverns between noon and 7 o'clock on the day of the accident and said he had ten bottles of beer to drink during the period.

The jury, headed by Edward C. Beard, Gettysburg, as foreman, retired at 4:10 Tuesday afternoon to consider its verdict. It returned with the decision of "guilty" at 4:30.

Richard Livingston, New Oxford shoe factory owner, testified to Hockensmith's good reputation in the community. By stipulation it was agreed that others would also make the same statement. The agreement was necessary because the character witnesses were asked to be present at 4, and the giving of testimony ended before that time.

CONFER ON SENTENCE

Livingston arrived just as Judge W. C. Sheely was about to tell the jury that it had been stipulated that Livingston would tell the jury that Hockensmith was a good reputation in New Oxford. The judge interrupted his remarks as Livingston came in the door of the court room and told him to come up and speak for himself.

After the jury had reached its verdict, the court recessed for about ten minutes while Judge Sheely and Associate Judges Earl Guise and Clarence Deardoff discussed in the judge's office the sentence to be imposed. The judges then returned and after passing sentence adjourned court until Saturday morning at 11 o'clock.

MISS AMERICA CONTESTANTS STAGE PARADE

ATLANTIC CITY, N.J. (AP)—This resort city's boardwalk was a stage for the nation's most glamorous girls Tuesday night as 54 contestants in the Miss America Beauty Pageant made their first public appearance together in an illuminated parade.

There should have been 55. But Joan Vine, Miss Hawaii, stayed in her hotel room on doctor's orders. Joan, a lyric soprano, scheduled to sing tonight, is suffering from laryngitis.

Thousands lined the parade route for the procession which opened the contest for Miss America of 1962. It will wind up Saturday night.

Actress Joan Crawford, a pageant judge, was the parade grand marshal. Also honored was Nancy Anne Fleming of Montague, Mich., Miss America of 1961.

Following Miss Montague, with the exception of Miss Hawaii, were the girls selected to represent the 50 states, Puerto Rico and Canada, and the cities of New York, Chicago and Washington.

For the first time in the pageant's history, the parade's alphabetical order was reversed, with Miss Wyoming, Mary Orr, appearing first.

Miss Orr wore a cowgirl costume. Miss Oklahoma, Dana Reno, wore Indian buckskin. The other girls were attired in evening gowns.

CARLA POSES COAST THREAT

MIAMI, Fla. (AP) — Tropical storm Carla loitered in the western Caribbean today, slowly intensifying and posing a threat to Florida if the northerly trend continues.

Carla was 600 miles south-southwest of Miami and almost due south of Cedar Key, Fla., Tuesday night, moving north-northwest at about eight miles per hour.

While highest winds were only 50 to 60 miles per hour near the center, gales extended 200 miles to the north and east and 85 miles to the southwest.

Forecasters in the Miami Weather Bureau said gales will spread northward across western Cuba today and into the Florida Straits this afternoon and tonight.

While Floridians and interests in the western Caribbean watched Carla's progress, Hurricane Betsy picked up intensity with winds up to 125 miles per hour but continued on a north-northwest course that would keep it well off the U. S. mainland.

Betsy was centered about 620 miles east-southeast of Bermuda and 1,550 miles east-northeast of Miami.

HOUSE PASSES NEW AID BILL

WASHINGTON (AP)—After regaining some lost ground in the House, the administration today shifted to the Senate its drive for foreign aid appropriations.

The bill finally passed by the House Tuesday night totaled \$3,657,500,000. This was \$596 million less than Congress authorized in the enabling act signed by President Kennedy over the weekend, but \$300 million more than was recommended by the House Appropriations Committee.

With a strong shove from moderate Republicans, the House restored three-fourths of the \$400-million committee slash in military assistance funds. Other attempts to restore committee cuts were voted down.

The Senate Appropriations Committee was to wind up hearings on its version of the money bill today with testimony by non-governmental witnesses.

Senate Democratic Leader Mike Mansfield of Montana said he thought the Senate would restore most of the House cuts.

The Senate committee won't vote on the bill until next week, probably on Wednesday. Restoration of all or part of the House reductions would send the bill to a conference.

New Oxford Church Plans Dedication

The new educational unit of St. Paul's United Church of Christ in New Oxford will be dedicated during a special service on Sunday afternoon, September 17, at 2:30. This service will mark the completion of a building project lasting nearly a year and the setting apart of this new unit primarily for Christian education of children.

The two-floor structure, 53'x42', is an addition to the third building of St. Paul's Church during its 140-year history. The major portion of the present building was erected during the pastorate of Rev. Dr. William A. Korn and dedicated March 16, 1913.

Rev. John Z. Martin is now pastor of the church.

hiring of inexperienced policemen. He also said the town has need of two full-time policemen. Councilman John D. Thrush moved that council vote to override the veto, which would require a vote of two-thirds in favor. The vote was 5 to 3 with the council president not voting, ruling he could only vote in case of a tie. As a result the ordinance did not pass. Those favoring the measure were Councilmen Mahlon P. Hartzell Sr., Thrush, Richard Smith, Clyde DeHaas and John Welshon. Those opposed were Councilmen George Naugle, Philip Jones and Mrs. James Schwenk.

The salary raise for Officer Breighner was passed on recommendation of Burgess Plank who noted that the performance of Officer Breighner had been satisfactory and that there had been a verbal agreement that at the end of the first year of service the officer would be advanced in grade and pay if his work proved satisfactory. Breighner's year ended June 16 but council decided it could not make the pay retroactive. It started the new pay as of September 15.

Referred To Committee
A letter was read from the Gettysburg Joint School Operating Committee which stated that school will agree to opening its street provided the borough takes over maintenance of the street, provided the borough puts up signs prohibiting use of the street by trucks and other commercial vehicles, that the whole thing be kept secret in so far as possible and that the school board retain the right to close the street at any time it sees fit.

Councilman Mahlon Hartzell, chairman of the Highway committee, said he was opposed to agreeing to keep up the street if the school board may close it at any time. The borough engineer said the town could legally fix the street, "since it was public" even though the town did not own the street. Council President Guise referred the letter to committee for a recommendation next month.

The letter apparently was in response to request by council that the street be opened for public use at other than school hours.

GET PETITION
The safety committee was presented with a petition from 44 residents of the E. High St.-Stratton St. area opposing two-way traffic on the present one-way street. A statement of opposition to two-way traffic passed by the consistory of Trinity United Church of Christ was also read to council. The petition asked that "very serious consideration be given to any plans to change the present traffic regulations" on the two streets. "We have lived here and have observed what happens day by day. We note how much better the traffic has been since the one-way traffic regulation was put into force. For the good of all concerned we believe it should remain that way and urge that no changes be made."

THANK KIWANISANS
George Naugle, chairman of the safety committee, said no action had been taken on the matter because it will probably require two ordinances if two-way traffic is restored and asked permission to have copies of the protests given his committee.

Mrs. James Schwenk moved and council agreed to express "deep thanks" to the Kiwanis Club for its offer of four new trash cans for the square. Engineer Winebrenner asked permission to put the old cans in the "college area."

Fire Chief Francis I. Linn and fire company President Glenn Raffensperger appeared in connection with the new fire ordinance proposed to council by the firemen. The proposed ordinance is the National Fire Underwriters suggested code. Council President Guise said the matter is being studied by the ordinance committee and asked that a representative from the fire company be named to meet with them. President Raffensperger designated Chief Linn as the representative.

SEWER WORK STOPS
Attorney Thrush reported that all ordinances back to 1806 have been typed and that he has now reached 1822 in making a survey of all of the ordinances as part of the plan to codify the borough laws.

Engineer Winebrenner told the council that the state Highway Department has completed plans for reconstruction of W. Lincoln Ave., College Ave. and Baltimore St. from Steinwehr Ave. to the concrete roadway of the Littlestown Rd. He urged council to bring pressure on the state to allocate funds for the work.

He also reported the borough authority has stopped placing a sewer on Long Lane because it has used all the funds allocated for that work. President Guise said the appropriate council committee is working with the authority for resumption of the work.

sented a plan which she said is being urged by the state association of boroughs to save money on insurance. It was referred to the finance committee. Later in the meeting Councilman Welshon, the finance chairman, said preliminary study of the plan indicated that perhaps a saving could be made and he would report on the proposal at next month's meeting.

Mrs. Schwenk also suggested that the town consider purchasing new hats for the policemen to wear during the winter months. The matter was referred to committee.

Mrs. Schwenk also brought to council's attention "a problem on which I have had many complaints. People in the upstairs apartments along Baltimore St. shake mops out the windows. People walking down below find the dust all over them. I think there should be some way to prevent shaking mops out over the sidewalk."

Councilman Clyde DeHaas brought up a problem concerning articles piled on the property of John Gastley in the alley west of Baltimore St. Mayor Plank said that if council would pass an ordinance licensing junk yards he could proceed to abate the problem. Borough Solicitor Eugene V. Buleit ruled that if council formally notified the state Health Department to act as the town's health officer the junk could be moved. Mrs. Schwenk held state health officials "refuse to go back again." The matter finally was returned to the mayor who was instructed to "do something about it."

Mayor Plank called to council's attention the fact that the building code requires all persons who construct signs to get building permits and post bonds. He said that his office is "in the preliminary stage of taking action on all illegal signs erected in the borough" and said the state has initiated "action against an owner on Steinwehr Ave. for placing a sign over the highway."

TOURIST LOST IN ALASKA 40 LBS. HEAVIER

FAIRBANKS, Alaska (AP)—Remember William Waters, the Kentucky tourist who was lost for 67 days in the Alaska wilderness?

A lot of people have.

Old friends and total strangers have sent him their best wishes since he was found a week and a half ago, gaunt and near death, by two moose hunters.

Waters, 42, of Erlanger, Ky., was lost June 20 while on a fishing trip to the Big Lake area, 120 miles northeast of here. It was Aug. 26 before he found his way out, crawling to the creek bank where the two hunters dragged him into their boat.

Waters is up to 139 pounds now—40 more than he weighed when rescued. He has been walking a little about his hospital room.

He was placed on a high protein diet Tuesday.

FRIED CHICKEN!

"When the nurse brought in that fried chicken," he said, "I could hardly believe my eyes."

Associated Press accounts of Waters exploit brought him letters from strangers as far away as Maine and Florida. Most express amazement at his survival and praise for his courage and will to live.

A Fairbanks bakery gave him the birthday cake Saturday. His birthday was Aug. 24, two days before his rescue. He didn't know what day it was then, because he had lost track of time.

What does Waters think of all this interest in his exploit?

Well, he says, he's grateful for all the kindness and now he'd like to get back home to Kentucky.

Weddings

MRS. SHAEFFER

Miss Rosalie Lorraine Carbaugh, foster daughter of Mr. and Mrs. Carroll Volland, East Berlin, became the bride of Donald Myers Shaeffer, son of Mr. and Mrs. Clarence H. Shaeffer, Dillsburg R. 2, at 3 p.m. Sunday in the Bermudian Church of the Brethren. The double-ring ceremony was performed by the Rev. Glenn Julius. Mrs. Joanne Lehr played the traditional wedding music and Gerald Anderson sang "The Lord's Prayer," "I Love You Truly," and "O Promise Me."

The bride, given in marriage by her foster father, was attired in a ballerina-length silk organza gown with Chantilly lace, sabrina neckline bordered with hand-trimmed lace and highlighted with sequins. Full-length sleeves of Chantilly lace came to a point at the wrists. She carried a white Bible with a purple orchid and streamers.

The maid of honor, Miss Valena M. Sheaffer, Dillsburg R. 2, wore a pink chiffon gown and carried a nosegay of carnations and roses. The bridesmaids were Miss Mary P. Hull and Miss Alma A. Anderson, East Berlin R. 1.

Wellington Snyder, Baltimore, was best man. Ushers were James Smith and Robert Smith, York Springs R. 1.

The bride's mother wore a light blue dress and accessories and a pink rosebud corsage. The groom's mother was attired in navy and wore a pink rosebud corsage.

A reception was held in the church social room. Out-of-town guests were from Baltimore, Manchester, Westminster, Taneytown, Emmitsburg and Smithsburg.

The bride attended Bermudian Springs High School and is employed at the Brethren Home, Cross Keys. The groom attended Bermudian Springs High School and is employed as a salesman for the McNeess Company. The couple will reside at Dillsburg R. 2.

King—Lobaugh

Miss Margaret Ione Lobaugh, daughter of Mr. and Mrs. Ira E. Lobaugh, East Berlin, became the bride of Charles William King, son of Mr. and Mrs. Charles E. King, Dillsburg R. 1, Saturday afternoon at 2:30 o'clock. The dou-

ble ring ceremony was performed by the bride's pastor, Rev. Harold R. Stoudt, at Trinity Lutheran Church, East Berlin. The altar was decorated with pink gladioli, white pompons and palms. Gerald Mummert, East Berlin, organist, played the traditional wedding music, accompanied by the vocalist, John Korver, Hampton, who sang, "I Love You Truly," "Because" and "Ich Liebe Dich."

The bride, given in marriage by her father, wore a floor-length gown of lace and tulle, with a scalloped scoop neckline trimmed with sequins and pearls. Her bouffant lace taffeta skirt, attached to a fitted bodice, was accented with ruffled tiers of lace and tulle. She wore a crown of white with a four-tier illusion fingertip veil. She wore a pearl necklace, a gift of the groom. Her flowers were a white orchid on a white Bible with white roses.

MAID OF HONOR

Lois Stoltz, Johnstown, was maid of honor and was gown in romance blue chiffon with blue lace jacket with three-quarter-length sleeves. She carried pink feathered carnations with pink roses. The bride attendants, Miss Grace Hull and Miss Janet Reid, East Berlin, were dressed identically in pink chiffon with pink lace jackets and three-quarter-length sleeves. They carried white feathered carnations with white roses.

Flower girl was Jo Carol Lerew, and ring bearer was John Lerew, both of Dillsburg R. 1. The flower girl wore a white dress and carried a pink lace basket with pink roses.

The best man was Donald Lerew Dillsburg R. 1, and ushers were Dale Piefer and Donald Cook, Dillsburg R. 3.

The bride's mother was attired in beige lace over brown satin sheath with yellow rosebud corsage. The groom's mother wore blue brocade dress with white accessories and red rosebud corsage.

Following the reception which was held in the church annex the couple left on a honeymoon of undisclosed destination and upon their return will reside at Clear Springs. The bride, who graduated from Bermudian Springs High School, is employed by the Department of Highways in Harrisburg. The groom attended Northern High School and is employed by the Gettysburg Shoe Factory at Dillsburg.

"WE TWO"

We two will weather storms of strife... however fierce they are... even on the darkest night... love can find a star... we two will capture thrills divine... whenever we embrace... because we share a treasure... that we cannot replace... we two go forth with faith and hope... what better way to live... eager to be tender... eager to forgive... two hearts beating together... can navigate life's sea... theirs is understanding... I pray we will always... be completely true... faithful to each other... lovers are we two.

Tourist Volume Up On Labor Day

Tourist visitation over the Labor Day weekend exceeded that of a year ago, National Park Superintendent James B. Myers reported today.

During Saturday, Sunday and Monday the visitation totaled 27,431. For the same three days in 1960 the number was 26,748. On Labor Day itself 9,925 were here, compared to 7,747 on Labor Day a year ago.

COLLEGE SENIOR KILLED IN CRASH

DOYLESTOWN, Pa. (AP)—Warren L. Unger, 21, Easton, Pa., a senior at Gettysburg College, was killed today when his automobile ran off Route 611 in Nookamixon Township, Bucks County, 11 miles north of Doylestown. He was dead when taken to Doylestown Hospital.

State police said Unger was returning home after spending the evening in Philadelphia, when his 1956 sedan went out of control, rolled down a four-foot embankment and slammed into a pole.

An economics major at Gettysburg, Unger was a member of Lambda Chi Alpha fraternity.

idea. Borough council should be in the garbage business with complete control of rates, trucks collection and sanitation or it should be entirely out of the business. In any event I think we should decide soon what we are doing. We owe that much to the people and to the men who own Adams Sanitation."

Discussion disclosed that Adams Sanitation holds a contract to August 2, 1962, and "thus we cannot change that now," Guise said. Further questioning disclosed that the company has an option on a third year's contract which led Joseph Heiney to comment, "So we're stuck with it for three years."

An economics major at Gettysburg, Unger was a member of Lambda Chi Alpha fraternity.

Kendlehart protested the plan of the company to bill three months in advance, holding that the borough ordinance provides they can charge only one month in advance. Council President Guise read a statement by ADCSO notifying the public that "In case you feel that you simply cannot budget for a full three-month period, please contact our office and we will put you on a monthly billing basis." Kendlehart then added, "I don't care about that. If you permit collection three months in advance, you are permitting a violation of your own ordinance."

In the discussion on pickup points the borough ordinance of 1938 was read stating that "on the days when collection is to be made the occupant or proprietor of the place where the garbage and other refuse are accumulated shall place the containers at a point on the premises, accessible from an alley if possible, where it is readily accessible to the collector." A number of those present said that clearly meant that the property owner has the right to select the spot where the garbage cans are to be placed to be picked up, and not the company. Guise said he was not prepared to give an interpretation of the meaning of that section of the ordinance.

Dr. Donald Wickerham and Eddie Plank will clash Thursday morning at 10 o'clock on the Gettysburg Country Club golf course for the 1961 club championship. Originally the title match was scheduled for Sunday.

ing President Guise told those assembled that "no member of borough council is or ever has been a stockholder of Adams Sanitation." Burgess Wilbur Plank in response to a question said he has never been a stockholder in the company.

Guise said that the entire council agreed with a statement by Andrew Larson that "we don't want the garbage cans sitting on the front sidewalks in town, particularly on the main streets."

Mrs. Sarah Gideon Black, protesting that the site assigned for her collection point created a hazard in the alley near her home, also told council she felt that people who have but a little garbage should have a lower rate than those who have much garbage to be collected, and said she agreed with idea of varying rates depending on individual service.

Mrs. Robert Codori was among those who indicated that the rate raise was not objectionable in itself, but protested the front sidewalk pickup points selected by the company. A number protested that the company had "increased rates and cut down service."

At the conclusion of 70 minutes of discussion, Council President Guise said that the health committee will continue to study the problem during the coming month and report back at the October meeting. He also stated he would meet with company officials tomorrow.

ber 3, 1959, for a three-week tour of 11 countries in Europe and the Middle East with scheduled visits in Italy, Turkey, Afghanistan, Pakistan, India, Iran, Greece, France, Spain, Tunisia and Morocco.

On the evening of arrival in each country, there was a state dinner given by the head of state. Usually on the second evening, the President was host to the head of state and principal officials of the country. Such dinners were held in the American embassies.

In Rome, the President and Col. and Mrs. Eisenhower were received by the Pope at the Vatican. In each country, Mrs. Eisenhower visited hospitals, museums, Red Cross installations, and was often a breakfast or luncheon guest of women's welfare leagues. On the lighter side, she had time for sight-seeing, and visiting former classmates of Col. Eisenhower. While in Paris, she saw the Dior collection and had a hairdo by Alexandre.

Mrs. Eisenhower showed the detailed itinerary which was closely timed and scrap books which she had made of each country they visited. There was also a book containing pictures of the whole trip which had been presented to Col. and Mrs. Eisenhower by Life magazine. The 22,377-mile trip ended on December 23, when the Presidential party arrived in Washington in time for Col. and Mrs. Eisenhower to have Christmas with their children.

Pony Races Will Be Held Sunday

The fastest racing ponies in the east will be on hand Sunday at Mountainview Track, seven miles north of Frederick on Rt. 15.

The Maryland Pony Trotting Assn., Inc., is certain the official half-mile record of 1:43 2/5 will be bettered Sunday. Starlight, owned by Earl Sheaffer, of Mechanicsburg, holder of the 1961 record, is promised plenty of competition from Shady Lady, owned by Bill Swomley, of Frederick, runnerup, and Royal Flash, owned by W. E. Deitrich, of Williamsport, Pa.

Races start at 2 o'clock, five races for adult drivers and two for the young set.

CRUM SERVICES HELD

Funeral services for George W. Crum, 70, Mt. Tabor machinist who died at his home Sunday morning, were held this morning at 10:30 o'clock at the Dugan Funeral Home in Bendersville. Interment was made in the cemetery at Mt. Tabor. The Rev. Calvin H. Cole officiated. The pallbearers were Wharton Carey, Oren Rex, Gilson Monn, Spencer McKinney, Donald Fetters and Lloyd Cline.

SHARETTS RITES HELD

Funeral services for Maurice J. Sharett, 217 Baltimore St., who died Sunday evening after a stroke, were held this afternoon at 2 o'clock from the Bender Funeral Home with the Rev. Charles E. Heid, pastor of the Mt. Joy Lutheran Church, officiating. Interment was made in Evergreen Cemetery. The pallbearers were Howard Marling, Harman Spence, Merle Rudisill, Charles Black, James S. Reaver and Mervin Jenner.

TWENTY-FIVE YEARS AGO

Adams, Sheely Nominated For Firemen's Head; Election Scheduled For This Afternoon: A contest developed for the presidency of the Adams county firemen's association during the coming year when two names were placed in nomination for the post at the opening business session of the fourteenth annual convention of the county organization this morning in the fire engine house at Centennial.

Harvey J. Adams, Centennial fire chief, has been nominated for re-election. His opponent is George D. Sheely, a member of the New Oxford fire company. The election will be held at this afternoon's session.

Fire Destroys Washhouse: Damage estimated at about \$1,000 resulted from a blaze that destroyed a story-and-a-half washhouse and damaged the dwelling house on the farm of Glenn Slaybaugh, between Brysonia and Wewelsville, about 8:30 o'clock this morning. Efforts of members of the Bensenville and Arendtsville fire companies saved the dwelling. The firemen used a reservoir at the farm as their source of water supply. The owner stated that the loss is partly covered by insurance.

The fire is believed to have started in the upper section of the washhouse soon after a fire had been kindled to heat water to be used for the weekly wash. No one was in the building at the time the fire started and it had made considerable headway before it was discovered.

10,080 Tourists Visit Cemetery: Visitors to the Gettysburg national cemetery showed a gain last week and Sunday over the same period a year ago, according to a report announced today by C. L. Nett, superintendent.

For the week ending September 5, 6,601 cars and 22,855 people visited the cemetery. The figures represent a ten per cent increase over the corresponding period last year during which time 5,656 cars and 19,502 people toured the cemetery.

More visitors than on any single day this year passed through the cemetery gates Sunday when 2,740 cars and 10,080 people were counted.

To date the increase of visitors to the national cemetery is 16 per cent over that of last year.

Idaville Asks Aid From WPA To Build Dam: Residents of Idaville have taken steps to provide better fire protection for their community by seeking WPA approval of a project for the construction of a dam to impound over 120,000 gallons of water on Huntington township school district property at the rear of the two-room Idaville school house, near the center of the town.

At a meeting Friday evening the Huntington township school directors voted their approval of the plans and signed, as the formal sponsors of the project, the application for WPA approval, which has been sent to administration offices at Chambersburg.

J. E. Snyder Is Elected To Council: Jesse E. Snyder, South street, a clerk in the Gettysburg post office, was elected by a vote of 5 to 3 Tuesday evening at the regular meeting of the borough council to fill the vacancy in council caused by the resignation of Constable Horace L. Bender of the third ward. Snyder defeated William Wavell, Steinwehr avenue.

Council's effort to fill the vacancy at a meeting last month resulted in a four-to-four tie between Wavell and Frank B. Slonaker. Under the borough code council was required to ballot again before the tie could be broken by the vote of Burgess Wilbur J. Stallsmith.

When the matter came before council Tuesday evening, Councilman H. M. Oyler of the third ward, Slonaker's nominator, rose and informed President C. W.

Today's Talk

SPLENDOR

There are certain words which seem to have life and personality—that through their very sound and make-up serve to stimulate, urge and lift up.

"Splendor" is one of these words.

"Splendor" suggests nothing cheap or tawdry; it suggests nothing but gentleness, a beauty that is dignified and very wonderful.

Something most magnificent that is clothed in every garment of worth. Something that has cost hardship, suffering, waiting, sacrifice, loneliness, disappointment and many failures. A man doesn't stand out in all his "splendor" unless he has known all of these things and many more.

The character that is permeated with "splendor" is one that is solid gold.

Autumn will ever have an atmosphere of "splendor."

Years when I have driven through miles and miles of fading and changing green and watched the soft breath of autumn blowing to earth the leaves of spring and summer in all their gypsy glory, I could not help but feel the "splendor" of the scene.

And when I have looked upon the running, reaching waves of the sea in their mad desire to reach the land, another picture of "splendor" is produced.

There is "splendor" almost everywhere if you will search for it. But it makes no noise. It is too deeply enmeshed with the quality of greatness to attract attention from any but the observing and from those who understand and appreciate.

There is "splendor" in the flower hidden away from the tramp of feet and the sound and hum of commerce.

There is "splendor" in the silent man who remains unmoved by mobs, steadfast in his duty and his desire to serve.

Tomorrow Mr. Adams will talk on the subject: "That 'Get There'".

LEMON PIE

The world of full of gladness,
There are joys of many kinds;
There's a cure for every sadness
That each troubles mortal finds.
And my little cares grow lighter
And I cease to fret and sigh,
And my eyes with joy grow brighter
When she makes a lemon pie.

When the bronze is on the filling
That's one mass of shining gold,
And its molten joy is spilling
On the plate, my heart grows bold;
And the kids and I in chorus
Raise one glad exultant cry,
And we cheer the treat before us—
Which is mother's lemon pie.

Then the little troubles vanish,
And the sorrows disappear,
When we find the grit to banish
All the cares that hovered near.
And we smack our lips in pleasure
O'er a joy no coin can buy,
And we down the golden treasure
Which is known as lemon pie.

MENTION RICE AGAIN FOR PA. GOVERNORSHIP

By HERB LINNEN

HARRISBURG (AP)—Now that handsome, 37-year-old Dean R. Fisher is on the Harrisburg scene, you are apt to hear his name pop up quite often when 1962 gubernatorial politics are discussed.

Gov. Lawrence is on record as having called Fisher "one of the real up and coming young men" in Pennsylvania Democratic circles. Coming from an old pro like Lawrence that's quite a compliment.

That comment sparked a lot of speculation that the governor might be eyeing Fisher for a spot on next year's statewide Democratic ticket. There has been persistent talk that Fisher could possibly become a dark horse candidate for governor.

\$17,000 JOB

He was asked about it after he was sworn in yesterday as a \$17,000-a-year member of the State Liquor Control Board. The response was that might be expected from a lawyer. Said Fisher:

"I am certainly very appreciative of all the kind things Gov. Lawrence has said about me and I am grateful for his consideration in naming me to a state post."

"I am in Harrisburg to do as much as I can to be of service to the liquor board—period."

But a newsman circulating among those who saw the tall and dark Fisher take his oath of office couldn't help but overhear the talk. It indicated that some people were sizing up the central Pennsylvanian for other possibilities.

NOT WELL KNOWN

"How do you think he'd go over in a campaign?" a rank-and-file asked another man at his side. "He's appealing enough, all right, and a new face might help," came the reply.

A top-ranked Democratic leader was asked about the potential of a Fisher candidacy.

"He's not too well known statewide but then again neither was George Leader," he replied.

RICE ON LIST

Leader, a state senator at the time, ended 20 years of Republican rule when he won the governorship at the age of 36 in 1954. Leader, however, had the benefit of a previous statewide run as auditor general.

Getting as much attention as Fisher yesterday was his stunning 36-year-old wife, Joanne, who could easily be mistaken for President Kennedy's wife, Jacqueline.

Fisher is bound to be in the running along with others mentioned frequently for the gubernatorial nod. They include Mayor Richardson Dilworth of Philadelphia, Netherlands ambassador John S. Rice, Spanish ambassador A. J. Drexel Biddle Jr., and Mayor Joseph M. Barr of Pittsburgh.

SAYS THIS IS PERILOUS HOUR

PHILADELPHIA (AP)—"This is a very dangerous hour" for the world, Evangelist Billy Graham believes.

At his Greater Philadelphia Crusade last night he referred to resumption of nuclear tests by the Soviet Union and the announcement that the United States plans to resume tests.

He asked an audience of 12,700, "Will God intervene?" Graham, in urging his listeners to seek God's intervention in world troubles, said joining the church is not enough. He said that modern psychiatry and psychology are saying that man is so constituted that he must have a conversion experience. He said man can take hope from this.

At the end of the service, 185 persons came forward when he called for "Decisions for Christ." Graham took as his theme chapter 18, St. Matthew: "Verily I say unto you, except ye be converted and become as little children, ye shall not enter the Kingdom of Heaven."

Charles S. Drain Jr., president of the Pennsylvania State Sunday School association took part in last night's service. He said Graham's presence in Philadelphia has "given the city a hope chest of spiritual blessings."

Most arms and ammunition obtained from Europe by the American colonists during the Revolution were shipped through the Dutch West Indies island of St. Eustatius.

first step toward the abolition of nuclear weapons as a whole."

The President's decision, announced by White House press secretary Pierre Salinger late Tuesday, swept away a ban adopted by the United States when the U.S.-British-Soviet pact on a treaty to forbid nuclear testing began in November 1958.

The last U. S. test was Oct. 30, 1958, in Nevada.

BROUGHT ON BY REDS

The Soviets and British also declared self-imposed moratoriums in 1958. Some military men in all three countries pressed increasingly for tests. This year the Soviets showed declining interest in the Geneva talks and last Wednesday announced they would resume tests. The British have not resumed.

Kennedy said Tuesday:

"In view of the continued testing by the Soviet government, I have today ordered the resumption of nuclear tests in the laboratory and underground with no fallout."

"In our effort to achieve an end to nuclear testing, we have taken every step that reasonable men could justify."

"In view of the acts of the Soviet government, we must now take those steps which prudent men find essential."

"We have no other choice in fulfillment of the responsibilities of the U. S. government to its own citizens and to the security of other free nations."

SEE GOOD YEAR IN POTATO CROP

HARRISBURG (AP)—Pennsylvania potato growers can look forward to a good crop this year, despite the possibility of an early freeze, predicts the State Crop Reporting Service.

The agency said yesterday the chance of an early freeze is causing some concern to potato growers in Erie County. However, such a freeze is not expected to hurt Potter County potato yields.

The potato harvest is already in progress in southern counties, the service said in its weekly crop summary.

Tobacco harvest is hitting its peak in Lancaster County. The crop is in excellent condition with large, heavy leaves.

SOUTHCENTRAL HARVEST

Harvest of Elberta peaches is starting in South Central counties. Hale Havens are being picked in Luzerne County. Apple harvest continued with Macintoshes expected to be ready in Erie County next weekend.

Snap bean harvest is nearly completed. Lima beans are being canned in southeastern areas and are moving to freezers at north-east and other northwestern points. The late sweet corn crop is beginning to reach maturity in northwestern Pennsylvania as the early crop fades. Sweet corn harvest is about over in the south-east. Canners probably will finish

GOULART EYES PREMIER FOR BRAZIL REGIME

BRASILIA, Brazil (AP)—Vice President Joao Goulart began talks today with a wide range of political leaders to organize a new government for Brazil. Some were reported urging a coalition regime to give a voice to all parties.

Although the date for his inauguration as a figurehead president was not yet fixed, Goulart landed Tuesday night at Brazil's modern capital in the interior after his personal safety had been assured and military chiefs dropped their active opposition.

Goulart, assailed by military leaders as a dangerous leftist, is to take over the position but not the power relinquished by Janio Quadros, who resigned as president Aug. 25.

CRISIS THREATENED

Quadros' resignation caught Goulart on his way home from a visit to Communist China, and the heads of the army, navy and air force said they would not let him return to the presidency. Civil war threatened between pro-Goulart troops and civilians in south Brazil and the rest of the nation's armed forces, but the military chiefs gave way after congress transferred most of the presidential powers to a premier responsible to congress.

Goulart's major function as president will be to pick the premier, who then must be approved by congress.

Arriving from Porto Alegre, capital of his home state of Rio Grande do Sul in the south, Goulart praised the new parliamentary system. "I think it will calm people and pave the way for the establishment of an ideal regime," he told newsmen.

After a warm welcome at the airport from almost every civilian dignitary in the capital—the military leaders had quietly left town—Goulart drove to a farm he owns 36 miles from Brasilia.

Governor Signs Appropriations

HARRISBURG (AP)—Gov. Lawrence approved more than \$3.8 million in appropriations yesterday, including \$2,201,565 for state-aided homes and hospitals.

A total of \$1,745,496 will go to 186 medical and surgical hospitals across the state, while \$456,069 will be provided for 52 homes in more than 40 cities.

Other appropriations include: \$83,457 to the Downingtown Industrial and Agricultural School.

\$48,600 to the Orlando S. Johnson Industrial School, Scranton.

\$534,731 to the Glen Mills School, Delaware County.

\$554,904 to the Sleighton Farm School for Girls, Delaware County.

PREDICTS TOUGH ELECTION FIGHT

LOS ANGELES (AP)—Gov. Edmund G. Brown predicts California will see in 1962 "the roughest, the toughest" election campaign in its history.

The governor told the Democratic Campaign Committee of Los Angeles County Tuesday night that results of the election will have an importance "far beyond the borders of California."

Brown indicated he expects former Vice President Richard M. Nixon to head the Republican ticket as its gubernatorial candidate.

"One of the reasons it's taking Nixon a long time to decide is that all the polls aren't in yet. Another is that he's looking for the answer not in Los Angeles, Sacramento and San Francisco, but in Washington and New York. And yes, even in Gettysburg," Brown said.

He warned that Republicans will unite behind any ticket.

SPORTS

Dodgers Beat Giants But Reds Defeat Cards; Phils Lose To Braves In 14th

By ED WILKS

Associated Press Sports Writer

Curfew or no curfew, the Giants shoulda stood in bed.

After getting the bed-check lifted for one night—following a reported \$1,950 fine spread over 13 players by Manager Al Dark for curfew violations—once hot San Francisco stumbled to a 10th defeat in 12 games Tuesday night as the Los Angeles Dodgers beat the Giants 4-2.

It was the sixth success in eight games for the second-place Dodgers, who stayed within two games of front-running Cincinnati in the National League race, after the Reds beat St. Louis 5-2.

7 PLAYERS FINED

Bob Hunter, Los Angeles Examiner baseball writer, reported that Dark socked 13 of his players, including three veterans, with fines ranging from \$250 down to \$100. Hunter said Dark then lifted the curfew—normally two hours after a night game on the road—for one night after the Giants lost 4-0 at Los Angeles Monday.

Dark, a devout family man who neither drinks nor smokes, said the \$1,950 figure was excessive. He said the fines were slapped on 7 players, not 13, and that it happened 10 days ago in St. Louis.

That's when the Giants, after winning six straight and recalling memories of their little miracle of 1951, had lost three in a row at St. Louis. That dropped them 6½ games behind.

BRAYS ARE THIRD

Then they were third. Now they're fourth, eight games behind Cincinnati.

Milwaukee clung to third, two games ahead of the Giants, by beating Philadelphia 5-4 in 14 innings. Pittsburgh defeated the Chicago Cubs 8-3.

The Giants lost their fourth in a row, third at Los Angeles, when the Dodgers scored four unearned runs in the third inning against Sad Sam Jones (8-8). A two-out error by Orlando Cepeda got the rally going and Duke Snider capped it with a three-run homer. It was the Duke's 381st home run in the majors. Right-hander Stan Williams (12-10) was the winner, checking the Giants on five hits.

CAME FROM BEHIND

The Reds had a 5-0 lead going into the bottom of the ninth, when the Cards broke up Bob Purkey's three-hit shutout with a single by Ken Boyer and doubles by Charlie James and pinch hitter Carl Sawatski.

Milwaukee came from behind with a pair of two-run innings, blew the lead when the Phils squeezed across a run on a hit by Bob Malmkus in the ninth and then beat reliever Frank Sullivan (3-15) in the 14th when pinch hitter Joe Torre tagged a sacrifice fly after singles by Frank Bolling and Sammy White. Lew Burdette (16-9) was the winner.

An old-fashioned device many modern cooks like to use: Cut a cake layer in half horizontally with a piece of heavy thread instead of a knife. Hold the thread taut and "saw" the cake with it. Takes two hands!

BOXING CHANGE TO HELP CHAMP

HERSHEY, Pa. (AP) — Heavyweight champion Floyd Patterson would be the immediate beneficiary of a proposed change in the National Boxing Association's title defense rules.

Paul Sullivan, chairman of the NBA World Championships Committee, Tuesday proposed modification of the rules even while saying Patterson "hasn't lived up to his responsibilities as champion."

Under present NBA rules Patterson could be stripped of his title for failing to defend it by Sept. 13. Patterson has not met any acceptable challenger since he regained the title from Ingemar Johansson last March 13.

RULE CHANGE

The rule states that a champion must meet one of the six top ranked challengers within six months.

Sullivan, a Pittsburgh attorney, suggested that this be changed to permit a champion to meet any one of the top 10 challengers within six months provided he meets one of the top six challengers within the next year. However, if a champion failed to fight anyone in the first six months he would be compelled to fight the No. 1 challenger within the first 12 months after gaining the title.

Bullet-Bison Ducats Available

Reserved seat tickets for the Gettysburg College-Bucknell University football game to be played Saturday evening, September 23, in the Hershey Stadium, may now be secured at the college athletic office.

The tickets are for Section 5, located at the middle of the field on the "west" or home stands, Gettysburg being the "home" team for the forthcoming Rotary Bowl game.

Fans purchasing tickets now will have a greater choice of location inasmuch as the sale to students will not begin until the arrival of the student body within a few days. Tickets are \$3 each.

HEAVIER BAT HELPS MANTLE HIT HIS HOMERS

By JOE REICHLER
Associated Press Sports Writer

NEW YORK (AP) — A heavier bat and a lighter swing are responsible for catapulting Mickey Mantle back in the home run race for Babe Ruth's celebrated 60.

The New York Yankees' No. 1 gladiator boy—Roger Maris is still No. 2 despite his edge in homers—in a dramatic return to the lineup Tuesday night, hammered the first pitch served to him by Washington's Joe McClain for a tremendous home run. It was Mickey's 51st of the season, putting him even with Ruth's record pace of 1927.

Maris, the other half of the slugging twins, again went hitless and his homer total remained at 53. He is now only four games ahead of the Bambino's pace.

Mantle Gets 51st Homer As Yanks Stretch Lead; Lee Thomas Gets 9 Hits

By ED WILKS

Associated Press Sports Writer

Mickey Mantle hit his 51st home run as the New York Yankees beat Washington 6-1 for a 7½-bulge in the American League race Tuesday night, but ex-Yankee Lee Thomas stole some of the headlines by tying a major league record with nine hits in a doubleheader for the Los Angeles Angels.

Despite the rookie outfielder's performance — three home runs, one a grand slam; a double, and five singles — the Angels lost the two-night pair at Kansas City, 7-3 and 13-12.

Baltimore took two from second place Detroit, wrapping up a 4-1 decision in the completion of Monday's suspended game, then handing the Tigers their sixth straight defeat, 1-0, in a regularly scheduled game. Chicago and Minnesota played a 3-3 tie in a game called because of fog after nine innings, and Cleveland beat Boston 9-5.

Thomas, 25, was 5-for-5, with a double and four singles in the five games for the Angels. He ran a consecutive hit streak through seven, with a single and home run, before striking out in the fifth inning of the nightcap. He had eight RBI in the second game. He brought the Angels a 9-9 tie with his sixth-inning slam, and put them ahead with a three-run homer in the eighth.

The A's won that second game on Bobby Del Greco's two-run homer in the ninth off Ken McBride (12-12). A five-run second inning, in which Jerry Lumpe, another ex-Yankee hit a three-run homer, wrapped up the opener against Ryne Duren (6-12). Jerry Walker (7-11) and Bob Shaw (10-12) were the winners.

Mantle, after missing two games because of an arm injury, gave the Yanks a 1-1 tie with his second-inning home run off loser Joe McClain (8-16). Elston Howard's 16th homer, in the fifth inning, broke it up and the Yankees then added four more runs, two unearned, in the seventh for their sixth straight success. Right hander Jim Coates (10-5) checked the Senators on four hits as they lost their sixth in a row and 20th of 21.

Even with Ruth Mantle stayed even with Babe Ruth's record-60 pace of 1927.

Archers' Licenses Placed On Sale

Bow and arrow hunters may now purchase the license required for the 1961 archery deer season, October 2-27, in Pennsylvania.

The Game Commission advises that the only places where licenses for the archers' October hunt may be purchased are the offices of County Treasurers and the Miscellaneous License Division of the State Revenue Department located at 26 S. Fourth St., Harrisburg. Before obtaining an archery deer license a person must own a 1961 Pennsylvania hunting license. Application forms for the archery hunters' licenses have been mailed to other issuing agents also, to make them available in all communities.

During the 1961 archers' deer season, bow and arrow hunters may bag one deer of either sex. If an archer desires to hunt on December 18, the antlerless deer season, an antlerless deer license must be purchased from the county treasurer in the county in which the sportsman will hunt. An archery license is not required to hunt deer with a bow during the December antlered and antlerless deer seasons.

In any case, a hunter may bag only one deer in Pennsylvania during this year.

DELL LOOMS AS DAVIS HOPE

By ED CORRIGAN

Associated Press Sports Writer

FOREST HILLS, N.Y. (AP) — Donald Dell, a tall, methodical Yale graduate from Bethesda, Md., loomed today as the newest hope for the desperate U.S. Davis Cup brass.

Dell, 23, who plans to enter the University of Virginia Law School in two weeks if he doesn't hear the call from Davis Cup Capt. David Freed, crushed Frank Froehling of Coral Gables, Fla., the No. 6 seed, in the third round of the National Championships Tuesday, 11-9, 10-8, 6-1.

"I'm available," said Dell. "But I've got to know whether I'm being considered before I enter school at the end of the month. If they want me, I'll put off going to school."

Froehling, 19, a fellow with a big service, created something of a sensation during the summer circuit when he reached the final in both the South Orange, N. M., and Merion, Pa., tournaments. He was being hailed as a coming great.

Mike Sangster, No. 4 of Britain, and Bob Mark, No. 5 of Australia, were the only other two seeded players to get into action Tuesday. Sangster downed Kingman B. Lambert of Charlottesville, Va., 6-3, 7-9, 6-2, 6-4, and Mark turned back Ronald W. Fisher of Houston, Tex., 6-4, 6-4, 6-2.

In the women's division, the top half of the draw has reached the quarter-finals. Defending champion Darlene Hard of Montebello, Calif., seeded No. 1, led the parade of favorites with a 6-2, 4-6, 6-4 decision over Judy Alvarez of Tampa, Fla.

SPAHN POSTS ERA RECORD

NEW YORK (AP) — Warren Spahn of the Milwaukee Braves has taken over the National League earned run lead while streaking toward the 20-victory mark.

Spahn has won his last eight games, all route-going performances. During the skein he has yielded only seven earned runs in 73 innings—an 0.86 pace — and reduced his ERA from 3.80 to 2.85. The 40-year-old southpaw has won 17 and lost 12 and allowed an over-all total of 72 earned runs in 227 innings.

The averages include Monday's games.

WON TWICE BEFORE

Spahn is seeking his third ERA championship. He won in 1947 with a 2.33 mark and again in 1953 with 2.10. Spahn has won 20 or more games 11 times and has a career total of 305 victories.

Jim O'Toole of Cincinnati is runner-up to Spahn this season with a 3.21 average. O'Toole (14-9) has permitted 76 earned runs in 213 innings, according to figures compiled by The Associated Press.

Curt Simmons of St. Louis is third with 3.24.

Dick Donovan (9-9) of the Washington Senators leads the American League with a 2.40 mark. He has given up 41 earned runs in 154 innings.

Detroit's Don Mossi (14-4) is second with 2.61 and Bill Stafford of the Yankees third with 2.63.

G-burg Junior Hi Starts Practice

Approximately 55 candidates turned out for the initial practice of the Gettysburg Junior High School football squad on Tuesday and more candidates are expected today.

Don Bickel will again coach the Braves and will be assisted by Pat Kelly.

The Braves open their six-game schedule by opposing Faust at Chambersburg on Thursday, September 28.

LADY BOWLERS HOLD BANQUET

The Cannonball Ladies' League of Edgewood Lanes held its annual awards banquet Tuesday evening in the Varsity Diner. The invocation was given by Vice President Betty White.

Cora Halsey, president, presided at the business meeting and was presented a corsage of red roses and white carnations from the league. The presentation was made by Phyllis Dayton of the banquet committee. Secretary Peggy Breighner distributed individual score cards of the season and gave the minutes of the organizational meeting.

Election of officers was held by nomination and the showing of hands. Officers for the summer season of 1962 are: President, Betty White; vice president, Pat Steinberger; secretary, Joyce Sanders; treasurer, Hazel Lawver, and sergeant-at-arms, Dorothy Pinko.

Trophies were presented by Jane Oyler, chairman of the trophy committee, and Doris Sanders, treasurer. First-place team honors were awarded to Dell's Beauty Shop. Members of the winning team—Betty White, Jane Oyler, Mary Roddy, Mary Lou Gallagher and Peggy Breighner—each received an individual first-place trophy. Captain Betty White then presented Del Wherley with the sponsor's trophy. Second place team awards to the Varsity Diner were presented to Doris Sanders, Renie Hubbard, Cora Halsey, Joyce Sanders and Viola Breighner.

Trophies were also presented to each of the following for these honors: High average, 157, Renie Hubbard; high series

TO HOLD MINK
STOLE DINNER
OCTOBER 18

A mink stole dinner will be held by the Eta Tau Chapter of Beta Sigma Phi Sorority on Wednesday, October 18, 6:30 p.m. in the Kingsdale Fire Company Hall, along the Littlestown-Taneytown Rd. An old fashioned Pennsylvania Dutch supper will be served. Tickets are \$10 per couple and can be secured from any member of the chapter. Plans for the dinner will be advanced at the first fall meeting of the sorority on Tuesday, September 26.

The Littlestown Lions will hold their first September dinner meeting on Thursday at 7 p.m. in the Starlite Room, Dutterer's Restaurant. The program will be in charge of the safety committee, comprising Ronald Lawhead and Ronald Hedges. It was announced that the profits from the Old Timers baseball game in July will be used to start a student aid fund. The zone advisory committee meeting will be held on Monday, September 11, 7:45 p.m. at the VFW Home in Gettysburg, and all presidents, vice presidents and secretaries are expected to attend.

Mrs. C. Edgar Pfeiffer, Cemetery St., will be hostess to the Frances Segner Circle of the United Lutheran Church Women of St. Paul's Church for a meeting Thursday evening at 7 o'clock.

GOES TO DICKINSON

Prayer meeting will be held at 7:45 p.m. on Thursday in Bethel Assembly of God Church, along the Littlestown Fish and Game Rd.

Larry Snyder, son of Mr. and Mrs. Paul R. Snyder, Prince St., left Monday to begin his freshman year at Dickinson College, Carlisle. He plans to major in math and physics and is a candidate for the football team. Snyder was graduated as an honor student from Littlestown High School in June.

The Littlestown Archers will meet at 7:30 o'clock this evening at the Fish and Game Farm, near town. Final plans will be made for a 28-field shoot on Sunday, with registration from 12 noon to 1:30 p.m. Awards will be given in the instinctive and free-style classes. Members are requested to have their targets prepared before Saturday evening. The Friendship Circle Class of St. Paul's Lutheran Church will hold its quarterly gathering next Tuesday, September 12, 8 p.m.

The board of directors of the Littlestown Junior Chamber of Commerce will meet at 7:30 p.m. on Thursday at Dutterer's Restaurant.

Miss Donna Rabenstein, daughter of Mr. and Mrs. Charles E. Rabenstein, S. Queen St., left Monday to begin her freshman year of studies at Mansfield State College. She was graduated from the local high school in June.

Seventy-eight boys from Cub Pack 84 and the Littlestown Little League enjoyed the big league baseball game between the Baltimore Orioles and the Cleveland Indians in Baltimore on Saturday afternoon. The boys were transported in two buses driven by Clayton L. Evans and Elmer W. Gall. Adults accompanying them were Richard Sentz, Robert Spangler and Thomas Orndorff.

A Lovelier
You

By MARY SUE MILLER

LOVELIES ARE WEARING HATS. More and more lovelies are becoming hat conscious. This fall it is for certain that the well-dressed lass and lady will top all but her most casual daytime clothes with a hat. She will be seen often wearing a hat for evening occasions, too.

When we girls have gone hatless so long—and thought we looked so devious—why the switch? Maybe we've come to realize the truth—that there is flattery for our faces and fashions in a hat. An out-sized hat!

The new crop of hats points up

the idea. Shapes complement the movement in clothes, both the flared and the lean. The better to enhance every face and figure, hat proportions vary from small to large. Materials are luxurious and colors are eye-catching. After the quickest run-through of the following details, you will spot the kind of hats that will give a perfect filip to you and your clothes:

SHAPES: Snug clothes, with a profile brim; domed clothes with slouch brims; toques and turbans, draped high and low; deep and shallow caps, always side-titled; profile berets; straight, huge and worn straight on; cuffed domes.

COLORS: Space blue, deep and vivid; magenta, rich and purple; glowing russets; polished black; rich reds and greens; soft browns and beiges.

FABRICS: Real and fake furs, often dyed in supernatural colors; plushy felts; gleaming satins and velvets; supple jerseys; frothy feathers.

MOST FLATTERING COLORS In fashion, nothing makes you lovelier than color. It can enhance your skin, hair, eyes and figure; it can express your individuality and style. Great powers, those! To learn how to put them to work for you, read our leaflet, "YOUR MOST FLATTERING COLORS." To obtain a copy, send your request to me: A Lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

WENTZ REUNION

The descendants of David C. and Mary Ellen Bankert Wentz held their fifth reunion Sunday, Aug. 27, at Salem EUB Church with 30 persons attending. Interesting stories and historical facts were recalled for the group by Dr. R. B. Nell, East Berlin, and Dr. A. R. Wentz, Gettysburg, the main speaker. The welcome to friends for the program-business meeting was given by James McDannell, president, with the Rev. Ruth McDannell giving the invocation. To help the historians, Miss Allene Irvin, Gettysburg, and Mrs. Helen Hartman, Hanover, the retiring historian, asked that members of each family inform the secretary of births and deaths in families. The secretary is Mrs. Harry Bieseker, Cashtown. The next reunion will be held the fourth-Sunday of August 1962 at Salem EUB Church. Remembrance gifts were given to the following: Oldest person, Mrs. Vertie Herman, 84 years; oldest man, Dr. A. R. Wentz, 78; youngest person, Marsha Hartman, 10 years; person traveling farthest distance, Rev. Ruth McDannell. The officers for 1962 are: pres., Robert Hartman, Hanover; vice pres., Mrs. R. B. Nell, East Berlin; sec., Mrs. H. I. Bieseker, Cashtown, and treas., Beulah Wentz, East Berlin.

MAY APPEAL TO
PREMIER FOR
SON'S RELEASE

ASHBURNHAM, Mass. (AP)—The father of Marvin William Makinen, 22, sentenced by a Soviet military court to eight years in prison for spying, says he is ready to make a personal plea to Soviet Premier Khrushchev.

"I will do whatever I can to help bring my son back to the United States," William J. Makinen, 47, the father, said Tuesday night.

"If it comes to the point where my wife and I feel we should go to Russia and plead with Khrushchev for my boy's release, we will work it out somehow. It's a question of money. If I have to go I don't know how I'll scrape it up."

TOOK PICTURES

"I'll see the President if that will help," Makinen told a reporter.

Young Makinen was sentenced after a two-day trial in Kiev, the Soviet government paper Izvestia said. He had been recruited by American intelligence agents while a student at the Free University in West Berlin, trained in cameras and codes for six weeks and sent as a tourist into Hungary, Czechoslovakia and the Ukraine to make pictures and notes, the paper said.

In Washington, a State Department press officer denied Makinen is a spy. He said the American Embassy in Moscow has demanded that U.S. officials be permitted to see Makinen.

SPEAKS A LANGUAGE

Makinen's father said he never heard of his son doing intelligence work for the United States.

The son was awarded a Fulbright scholarship last year for study in West Berlin. He had planned to attend the medical school at the University of Pennsylvania this fall.

Young Makinen, graduated from the University of Pennsylvania in 1960, speaks and writes nine languages and planned to study Norwegian and Swedish in Europe, the father said.

Weather

Extended forecasts for Sept. 7 through Sept. 11:

Eastern Pennsylvania, southeastern New York and New Jersey—Temperatures are expected to average about 7 degrees above normal. Warm Thursday with some local sea breezes. Warmer over the weekend and cooler by the end of the period. Precipitation will total 1/2 inch or more, occurring as showers about Monday.

Middle Atlantic States—Temperatures will average about 5 degrees above normal. Warm Thursday and Friday, turning cooler over the weekend. Chance of showers Friday and more likely over the weekend, averaging 1/2 to 1 inch of rainfall.

Western Pennsylvania and western New York—Temperatures will average 8 to 10 degrees above normal. Warmer Friday, turning cooler Sunday or Monday. Precipitation will average 1/2 to 3/4 inch, occurring as showers mostly Saturday and Sunday.

GIVE CONTRACT TO OTTO SELLS

At a special meeting of the board of directors of the Littlestown Community Center, held in the center with all members of the board present, the contract for the work to be done at the present time was given to Otto C. Sells at his price of \$3,281.50 for the interior construction and the plumbing. The work will be completed by October 21.

At the next regular meeting of the board to be held on Thursday, September 14, at 8 p.m., the rooms to be assigned will be determined and the assignments will be made. It is the request of the board that any group desiring to have a room and date assignment have a representative at the meeting September 14.

Other work and plans were discussed but most of that was held over for the regular meeting night.

HARRISBURG (AP)—The State Health Department reports that the number of polio cases in Pennsylvania is running far behind those of last year.

So far in 1961, 15 cases of polio have been reported, compared to a total of 38 for the same period in 1960, Department aides noted yesterday.

"Ambassador George Kennan" is the name given to the new fire truck purchased recently by the East Berlin Fire Company. The truck, named for the former ambassador to Russia, has a Ford cab and an American LaFrance body.

MORSE MAKES
NEW MOVE ON
REDISTRICTING

HARRISBURG (AP)—Democratic State Chairman Otis B. Morse is attempting to set up another meeting with Republican leaders to consider the long-standing stalemate on congressional reapportionment.

Morse sent a telegram yesterday to his GOP counterpart, George I. Bloom, calling for "the earliest possible meeting" between the two to discuss the ticklish problem.

Bloom was not immediately available for comment.

Morse's telegram came on the heels of an appeal by Gov. Lawrence that both sides get together and agree on some sort of reapportionment plan that could be adopted by a special legislative session in November.

WATCHING WASHINGTON

Leaders on both sides were unable to come up with any bipartisan plan for ending the stalemate before the 1961 legislature adjourned last week.

Pennsylvania stands to lose three of its 30 seats in congress because it failed to keep pace with the other states in the population growth recorded by the 1960 national census.

If the legislature fails to reshuffle the state's districts by next Feb. 20, all the congressmen will be elected on an at-large, or statewide, basis in 1962.

However, Democrats and Republicans alike are keeping a close eye on Washington where a move is still afoot to enlarge the membership of congress. If this is accomplished Pennsylvania would have to give up only two seats.

TWO CHARGED
WITH MURDER

TOWSON, Md. (AP)—Baltimore County police have charged two men with the "willful and premeditated murder" of Mrs. Katie Hoffheiser, 91.

Mrs. Hoffheiser, a frail widow weighing less than 100 pounds, was shot to death Sunday in her farm house near the Maryland-Pennsylvania border. Her purse, containing about \$27, was missing. Police said robbery was the motive.

Detective Capt. E. L. Story said Tuesday an investigation of persons who bought eggs from the widow led to the arrest of Lester L. Grogg, 31, and Robert A. Kelly, 18, both of Hampstead in neighboring Carroll County.

SAID KELLY DID SHOOTING

Story theorized that Grogg, an unemployed cannery worker, was admitted to the farm house because Mrs. Hoffheiser knew him. But Story said Kelly, employed at the cannery where Grogg used to work, did the shooting with a .22-caliber rifle.

Grogg and Kelly were being held without bail pending a preliminary hearing.

State's Revenue
Off Last Month

HARRISBURG (AP)—Revenue collections in Pennsylvania last month fell more than \$1.4 million short of those collected in August 1960, reports the State Office of Administration.

Office spokesmen said yesterday the state collected a total of \$65,464 in revenue last month compared to \$66,879 collected in the same period last year.

The biggest decrease showed in the state's four per cent sales tax which dipped 7.5 per cent or \$2,868,000. Capital stock and franchise tax collections also were down 13.8 per cent or \$186,000.

Piggy-back Radios On Homing Pigeons To Seek Scientific Data For Men

By THE ASSOCIATED PRESS

Radio stations on pigeons' backs, ideas for doughnut-shaped space platforms, and Navy voyages on a miniature ocean are among the newer wrinkles for scientists at work:

STATION P-I-G-E-O-N

A new miniature radio that can be strapped piggy-back to a homing pigeon may lead to a breakthrough in solving the mystery of the "homing instinct"—and perhaps point the way to new developments in target-seeking missiles.

This is the word from scientists of the Office of Naval Research.

A Philadelphia firm, American Electronic Laboratories, has devised for them a powerful miniature radio beacon, weighing less than an ounce. It's capable of sending signals detectable for 20 miles in all directions when broadcasting from the back of a pigeon in flight.

In a recent test, a pigeon was successfully tracked throughout a 20-mile flight to his home loft.

It's all part of an effort to incorporate into missiles—and navigational devices—electronic gadgets that would virtually duplicate the wonderful navigational powers of certain animals and birds.

SPACE DOUGHNUTS

Some scientists see possibilities of developing "inflatable space stations" which would be, in effect, flying doughnuts.

According to one idea, a metal capsule, like the Project Mercury device, could be lofted into orbit. Then, a lightweight inflatable material would be blown up around it in a doughnut shape. The astronaut would open a hatch in his capsule and enter the doughnut—and have room to move around comfortably for a flight lasting several weeks.

TOM THUMB GALE

The Navy has a brand new model size ocean for subjecting dwarf-sized versions of the ships of tomorrow to virtually all the rigors of a gale at sea.

The laboratory ocean is a water-filled basin 360 feet long, 240 feet wide and 20 feet deep. By means of pneumatic wavemakers located at one of the walls, engineers can create "a confused sea state which closely approximates the cross-sea of a true ocean in a full gale."

The weather observatory at Mt. Washington in New Hampshire is bolted down to solid rock to prevent it from being carried away by the hurricane force winds that sweep the mountain top.

California Fires Out Of Control

LOS ANGELES (AP)—The California fire scene has shifted from north to south.

Four fires in widely scattered areas of Southern California burned out of control today.

Subsiding winds and cooler temperatures in the middle and northern parts of the state helped firefighters control blazes in the gold-mining country.

The largest fire still out of control blackened 10,000 acres in Cleveland National Forest north-east of San Diego. It had tripled in size in 20 hours, threatening several homes and buildings in Mesa Grande Indian Reservation. The reservation's community hall, built more than 80 years ago, was destroyed.

A U.S. forest service district ranger said he suspected the fire was set by an arsonist. More than 1,100 men were fighting the blaze.

KENNEDY SIGNS HIJACKING LAW

WASHINGTON (AP)—President Kennedy has signed into law an act making aircraft hijacking an act of piracy with penalties up to death.

The measure—which also includes penalties of 20 years to life in prison—was enacted by Congress in reaction to gun-point seizures of commercial airliners.

The law also carries penalties of up to five years and a \$5,000 fine for giving false information about plane hijackings, and up to a year in jail and \$1,000 fine for illegally carrying concealed weapons aboard an aircraft.

Juries are given the sole authority to decree the death penalty for aircraft piracy under the statute, except in cases where the defendant has pleaded guilty or waived a jury trial. In those cases the judge may impose the death sentence.

KILLED BY TRUCK

YORK, Pa. (AP)—Emanuel Eugene Sutherland, 23-year-old York resident, died early today of injuries suffered in a fall from a moving dump truck.

State police said Sutherland was in a party of 10 other persons riding home in the truck from a swimming party. Two miles east of Seven Valleys on Route 214, officers said, Sutherland apparently tried to move from the cab to the dump bed, and fell under the wheels.

3 BROTHERS LOSE LIVES IN MONONGAHELA

MASONTOWN, Pa. (AP)—Three brothers, the oldest 12, drowned Tuesday in the Monongahela River. They apparently went wading.

Chester Forgen Jr., 12; Ronald, 11; and Ray Lee, 10, left home shortly before noon. Eight hours later firemen pulled their bodies from the river.

No one apparently saw the tragedy. It was understood none of the boys could swim.

MISSED DINNER

The youngsters lived at Mount Sterling, a tiny community near this Fayette County town.

Their mother said they gave no indication they were going to the river. She became alarmed when they missed dinner, and asked neighbors to help her search for them.

One searcher found the boys' clothing along the river bank. Footprints led into the water. Masontown firemen dragged the river for about an hour before locating the bodies.

4 OTHER CHILDREN

Mr. and Mrs. Chester Forgen Sr. have two other sons and two daughters.

The victims were due to return to the Ronco School Thursday after summer recess.

On Aug. 24, Floyd Fowler Jr., 13, and his brother, Robert, 12, drowned in the Monongahela at Gates, a few miles downstream from Masontown.

Check Water Service In Wilkes-Barre

HARRISBURG (AP)—The Public Utility Commission has launched an investigation into complaints that the Pennsylvania Gas and Water Service Co. of Wilkes-Barre is furnishing unsatisfactory service.

The utility supplies water to 128,000 customers in Lackawanna, Luzerne, Susquehanna and Wayne counties.

PUC aides said Tuesday Fred C. Hill, the commission's senior water engineer, has been sent to the area to make an on-the-spot probe.

DROWNS IN SUSQUEHANNA
DANVILLE, Pa. (AP)—John Kauwell, 26, of Northumberland drowned yesterday while wading in the north branch of the Susquehanna River three miles west of Danville. Three youths recovered Kauwell's body in 11 feet of water.

Why use corn syrup in cakes? It helps to make them moist.

BARONESS NOW U. S. CITIZEN

PHILADELPHIA (AP)—A woman who might have been a German baroness has become a 100 per cent American citizen.

Mrs. Erika Brigitte Kazmierski, an attractive 20-year-old blonde from western Pennsylvania, was sworn in as a naturalized citizen Tuesday.

Mrs. Kazmierski said she and her husband, Robert, and her parents drove 400 miles from the Kazmierski's cattle farm near Seneca in Venango County, for the swearing in ceremony by Judge George A. Welsh in U.S. District Court.

She said she came to the United States in 1956. Immigration authorities told her she could not become a citizen if she kept her title. She said she was notified last week that her title was no longer recognized by her native country since her marriage.

NEW TV ACTION SERIES BEGINS SEPTEMBER 19

By CYNTHIA LOWRY
AP TV-Radio Writer

HOLLYWOOD (AP)—The NBC announcement of the premiere of its new action series, "Cain's Hundred," reads as follows: "Shattered when his fiancée is murdered by the underworld syndicate for which he works, lawyer Nicholas Cain sets out to destroy the mob chief."

And, starting Sept. 19, off we'll go, following Nick Cain's career of vengeance—one of the oldest, time-tested plot devices in literary history.

Paul Monash, creator and producer of the series, deliberately created Cain in a familiar, classic mold, even providing his character with a name of Biblical significance.

"BYRONIC HERO"

"He's a Byronic hero," explained the man who wrote the first episodes of "The Untouchables." "Cain is the synthesis of the forces of good. And he is, of course, completely unrealistic. Nobody could go around the country smashing one facet of organized crime per week."

Cain may be a creature of fiction, but he has some close relatives, also fictitious, delighting the television viewers season after season.

Closest to him in spirit if not costume (Cain will be a natty dresser) is Paladin, the lone, grim-visaged, dark-suited avenger of CBS' perennial "Have Gun, Will Travel." Then, of course, there's ABC's Eliot Ness of "The Untouchables" whose adventures have been largely fiction since, early in the series, he and his loyal band were credited with bringing in the notorious Barker gang.

Frank Pierson, producer of "Have Gun," traces the ancestry of his Paladin (another symbolic name, meaning legendary hero) back to the Greeks of Homer's day, to Odysseus and Achilles.

SETTING IS TRICKY

The trick, of course, is to set the classic figure in interesting backgrounds. Paladin rights wrongs in the old West; Ness, in the Chicago of the Prohibition Era. Cain will tackle 1961-62 soft spots.

Monash, while following a popular path in this season's action shows, is making no excuses for his series.

"We're just trying to do shows that I would enjoy watching," he said. "That means strong dramas with a great deal of sentiment—melodramas with heart—whose practical purpose is entertainment for the viewing public. Personally, I think most TV documentaries are pretty boring."

DIES FROM INJURIES

PITTSBURGH (AP)—Miss Dorothy Buranosky, 22, of nearby McKees Rocks, died Tuesday night in Montefiore Hospital from injuries suffered in an auto-truck collision at Du Bois Aug. 25.

Rip Van Winkle Couldn't Sleep with Nagging Backache

More! You cannot get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—you want relief—make it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Don't's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2. by soothing effect on bladder irritation. 3. by mild diuretic action tending to increase output of the 75 miles of kidney tubes. READS LETTER TO COUNCIL ON GARBAGE MESS

The following letter to Glenn Guise, president of the borough council, from the Adams County Sanitation Company, was read at Tuesday's evening's meeting of council:

Sept. 5, 1961

"According to last night's Gettysburg Times, a number of citizens will appear at tonight's council meeting to protest the advance in rates and the billing system of the Sanitation Company."

"A number of complaints, possibly a total of twenty-five, have been registered with the company or have been made to officers or directors of the company, and presumably to some members of the Borough Council. In view of this situation, the Board of Directors of Adams Sanitation Company held a special meeting on Friday, September 1, 1961, and instructed me, as secretary, to advise you of steps being taken by the company to amicably and sensibly adjust legitimate complaints and grievances, particularly in connection with the changes in the pick-up service, that is, the point of collection."

"The cans or containers of about forty per cent of the residential customers of the community have in the past been readily accessible for collection, in accordance with the provisions of the 1938 Ordinance. A great many of these people felt that they should not indirectly have to pay for the personal service being rendered the other sixty per cent of the people whose containers were picked up in garages, back porches, inside fences, etc. Included in the latter group are people who want this personal service because of age or infirmities, together with others who would prefer this generally for one reason or another."

Also in this group are people who feel that for aesthetic reasons Gettysburg, as a tourist town, should not have its containers along the curb. "As a service company, we would much prefer to give the community the type of service its residents wish. We have at no time asked for anything more than a rate that will pay the cost of the service plus a fair return. As you know, the company lost \$5,500.00 last year, when it should have made a profit of more than

that. Even on the new rate of \$2.25 per month, the company will do well to break even on a two-year basis, and in particular since five months of the second year, February through July, have already gone by at the old rate, leaving only seven months of the second year for the application of the new rate.

"Apart, however, from the financial end of the operation, the company has taken the following steps to resolve the matters raised in a change in the point of pick-up:

"(1) As to collections along alleys and alley-ways, the company will check out all complaints and attempt to adjust all meritorious complaints in some reasonable manner.

"(2) The company has instituted a study and is well on its way to coming up with a suggested solution to the problems arising from the changes in pick-up points, which solution we trust will be satisfactory to the community and to the Borough Council. The company is proposing to furnish those persons who for such reasons as they may have, wish a personal type of service similar to what has been customary to them heretofore, at a special rate, which would be compensatory to the company. We have not reached the point where we are able to state just how this service would be handled, but assuming that a reasonable number of people took this service, it would appear that it could be done for a moderate surcharge on the basic minimum rate. In any event, if the community wants the lowest possible rate, and only one rate for services rendered, then the operation must be made as efficient and economical as possible, and other factors such as personal desires and wishes as to the type of service cannot be the controlling factors. On the other hand, if a number of persons in the community wish a more serviceable and preferable collection system, we see no reason why the company shouldn't furnish it to them, if they are willing to pay an adjusted rate for the extra service."

"As to the advance billing, it is noted that our letter of August 19, 1961, closed with the following sentence, 'In case you feel that you simply cannot budget for a full three-month period, please contact our office and we will put you on a monthly billing basis. We think this is indeed lenient since many systems are now collecting as much as six months in advance; furthermore, phone bills, for example, are billed monthly in advance, and any new residential customers must pay a \$25.00 deposit for their

NEW LAW WILL RESTRICT CPA

HARRISBURG (AP)—Legislation aimed at tightening requirements for the licensing of certified public accountants in Pennsylvania was one of 43 bills signed into law Tuesday by Gov. Lawrence.

The new law will empower the State Board of Examiners to amend the rules of professional conduct to establish and maintain a high standard of integrity and dignity to the accounting profession.

The board will also have the power to suspend or revoke a CPA's license under certain conditions.

RENEW PERMITS

Furthermore, the new law will:—Require all persons qualified to practice public accounting in the state to renew their permits every two years at a cost of not more than \$10.

—Create tougher requirements to be met by an applicant before the board will grant him a license.

The law becomes effective Nov. 3.

Also signed were bills that will:—Allow eligibility for membership on the state board of medical licensure to be based only on membership in the Pennsylvania Medical Society. Previous law limited membership to practitioners in three medical philosophies.

—Make it illegal to sell counterfeit

service. "We assure you of our willingness to cooperate with the Borough Council and the community in giving Gettysburg first class, dependable service."

Pick up your phone  and call...

Transact Your Business 259,200 Times Faster!

...by telephone—of course!

It takes less than one second to hear that "Yes!" by telephone.

But it will take at least 259,200 seconds (3 days) for your letter to arrive, be answered, and returned to you.

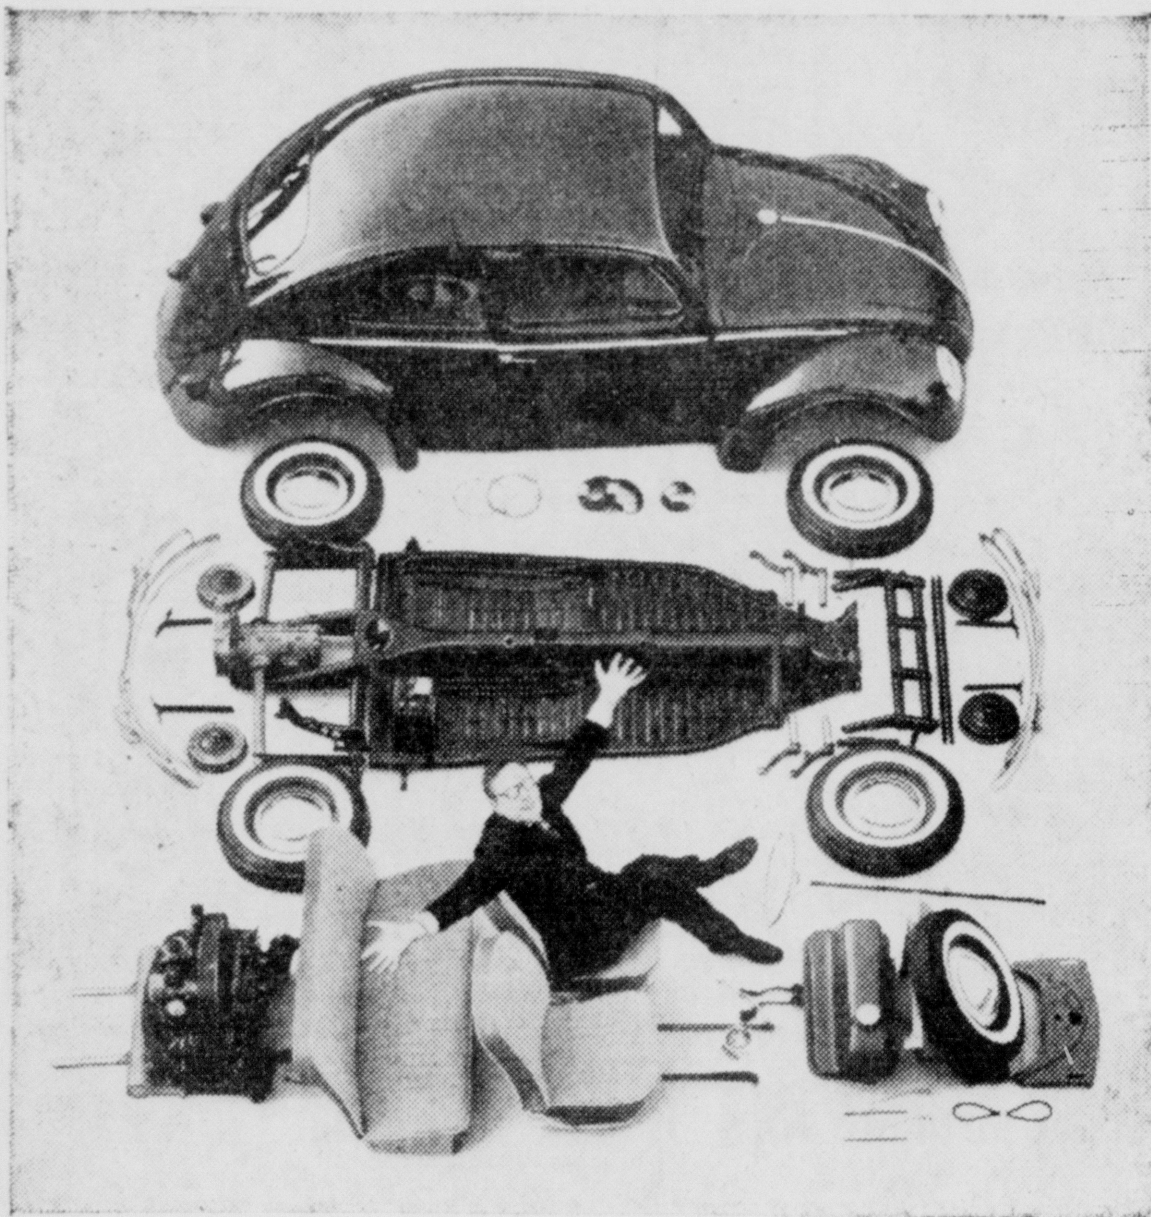

Doing business by telephone is economical, too. For example, you can call *Chicago* for only \$1.³⁵, for three minutes, station-to-station... even less after 6:00 P.M. weekdays and all day Sunday!

And you'll have the equivalent of a face to face conversation.

You save time, and money, when you "pick up your phone and call!"

THE UNITED TELEPHONE COMPANY OF PENNSYLVANIA

Repair 'em?

We've got enough parts to build 'em!

There are 5,008 parts in a Volkswagen sedan and we have all of them in stock or on tap.

You don't wait to get a Volkswagen serviced. (Even vintage VWs are repaired as quickly as new ones; their heart and face have remained the same.)

Volkswagen parts are inexpensive. A new front fender is \$23.75.* A cylinder with piston and rings, \$17.14.* VW

service is fast too engine can be removed and replaced in 90 minutes!

VW spare parts are taken from regular production; identical with the car itself, and so just as good. The intriguing thing is, they're seldom needed.

If you'd like to see how beautifully 5,008 parts can behave, come in and try a VW. We have a new one on hand. All assembled, ready to drive.

BOYLE LISTS PET GRIPE OF MARKET CLERK

By HAL BOYLE
NEW YORK (AP) — Customer remarks a supermarket clerk gets tired of hearing: "You don't stock automobile tires? What kind of a grocery store is this?"

"My husband just phoned and said he's bringing three of his bosses home for dinner. Do you have any instant pot roast?"

BELLS ARE RINGING
"Hey, take it easy on that cash register, Jack. Are you ringing up the items I bought — or playing a symphony concert?"

"How come you're charging 35 cents a pound for turkeys? I passed a supermarket 10 miles down the road that was selling them at 34 1/2 cents."

"So what if my boy did cut off a few of your old boxtops with his knife? He didn't spill any of the cereal, did he?"

BOUNCING CHECK
"I know my last check bounced, but I'm sure this one is okay. I had my husband sign it, too — just to be certain."

"I'm afraid I'll have to return this two-pound box of cookies. They must be stale or something. I ate half of them after dinner last night — and didn't sleep a wink."

"My husband says he's tired of eating nothing but frozen foods. Do you have a little free booklet or something that tells how to cook food that isn't frozen?"

SUE MANAGER

"Where's the manager? I want to sue him. I just got run over by three teenagers having a drag race with shopping carts over by the fresh breads section."

"What if I am holding up the line, young man? I'm absolutely positive I have a \$10 bill somewhere in my purse — if I can just find the purse. Oh, dear, do you suppose I left it home again?"

"I know this is your rush hour, Jack, but can you take time out to count these 268 empty bottles I'm returning for credit? I'm in a hurry, too."

"Mary Jane, I told you not to unwrap that fish. Now pick it up off the floor and put it back before..."

"Hey, Jack, I made it all the way from the iceberg lettuce to the smoked hams, the mayonnaise, the rye bread, and back here to the checkout counter—in a minute and 12 seconds flat. Is that a new course record?"

MUSICIANS TO LEAD SERVICE

Rev. and Mrs. Fred Bertolet, Reading, nationally-known evangelists and musicians in the Church of the Nazarene, will hold a special service in the Gettysburg Church of the Nazarene, Wainwright Ave., Thursday evening at 7:45 o'clock.

Known as the "Musical Bertolets," both are accomplished musicians. Rev. Bertolet is a trumpet and Mrs. Bertolet plays the organ, piano and accordion and joins her husband in vocal duets.

A graduate of Albright College, Reading, and Allentown Bible Seminary, Rev. Bertolet is widely known as an evangelist. Mrs. Bertolet, who attended Eastern Nazarene College in Wollaston, Mass., has been a radio and church organist. She and her husband have also made musical recordings.

The public is invited.

State Will Draft 1,417 In October

HARRISBURG (AP) — Some 1,417 men will make up Pennsylvania's quota in the national draft call for 20,000 men next month. The state's Selective Service headquarters said yesterday that the October draft call in Pennsylvania is 318 men higher than it was last October.

The draft call this month was for 1,659 men.
